

# PRICE RANGES

Please Note: Remodel Projects are not included in this list.

The Brown County Home Builders Association provides consumers with a price range for the entries submitted in our Showcase events. Builders have told us this is the #1 question asked by consumers when visiting their homes. This information is provided to help those consumers who are looking to purchase an existing spec home and can also give some idea of the cost to duplicate a custom home based on the amenities. You are viewing the Showcase entries to meet and talk with the builder, to observe the quality of construction, and to gather ideas for your building or remodeling project. Remember, a builder can build a home in any price range to fit the wants and needs of their client. The following is a listing of the estimated cost of each Showcase Home **not including the lot cost**. Condominium pricing may reflect the cost of the condo with the lot. \*Indicates home is for sale.
