

RG Hendricks
CONCRETE CONSTRUCTION

Concrete Foreman

Position Type: Full-Time / Seasonal

Schedule: Monday–Friday, ~45 hours/week + paid overtime

About the Job:

RG Hendricks specializes in residential concrete flatwork, including basements, garages, driveways, and stamped concrete, with occasional commercial projects. As a Foreman, you'll lead crews, train team members, and ensure projects are completed safely, efficiently, and to the highest quality standards. We value leadership, skill, and a great personality!

What You'll Do:

- Lead and inspire your crew, promoting a positive, collaborative work environment
- Work alongside the team, providing on-the-job training and guidance
- Read project plans and specifications; determine materials, equipment, and procedures needed for quality results
- Sets the standard for efficiency and safety on fast-paced job sites
- Identify and solve project issues (safety, weather, or quality-related)
- Maintain accurate records of square footage and materials, and communicate with the Project Manager
- Perform daily safety and maintenance checks, and oversee equipment loading/unloading
- CDL is a plus — and we'll cover the cost!

Company-Provided Benefits:

- **Health & Wellness Options:** Options for Health, Dental & Vision, life insurance, short- & long-term disability
- **Retirement:** Simple IRA with 3% match
