

MEMBER BENEFIT GUIDE

BCHBA members automatically become a member at the state (Wisconsin Builders Association – WBA) and national (National Association of Home Builders – NAHB) levels. That's three memberships for the price of one. In addition, each federation offers a distinct package of benefits to enhance membership experience.

Benefits range from advertising opportunities to promote your business, insurance plans, free dinner meetings, travel discounts, member rebate programs and much more! Take a look inside to get a full list of the member benefits, broken down by local, state and national.
